Although 100% of my Estate goes to my Biological Parents, I can not be used for preying or donations. Wed to better themselves!  
Remigius Onwuzurike, Esq.  
As You have noticed, Your Calls are neither answered nor returned. Exactly what I want you to do is— Cease and Desist from furthering your attempts to communicate with me. Just like Unnukwe Youths Age Group told you in 1981 and 1988, we are completely unrelated and there are absolutely no sacrament between us. Because you had never worked in the United States and your parent lived in severe abject poverty with your father Gabriel marrying many wives and having many childrensides, I trained you to equivalent of 2 masters degree and employed you to handle my General Merchantile business in West Africa. With the help of Eugenia, your wife, you changed the business to your name in Abuja—"Remco Empire limited" and failed to give me a summary of the business when I asked but instead you did your best to kill and destroy me on several occasions and using my money to do so. You used my money to purchase 100 acres of land located adjacent to my 300 acres in Ogun State of Nigeria with maximum intentions to own and acquire all just like you did in the Village of Isiokweresi and giving a portion to Catholic parish of St. Anthony.

I sponsored you ~~at~~ doing several odd jobs at minimum wages and paying the highest foreign student tuition fees. Because I had 4 law firms working to keep you in the United States until you finished your studies. Since you were placed on repatriation proceedings. They suggested that evidence must be shown that you are being sponsored by your father Gabriel and a remittance must be clearly shown: I worked round the clock in 1979 and remitted about \$16,000. The cheque/check came and you cashed it to purchase a brand new Camaro Sports Coup for cash and bidding it in the house were a Titus Onuoha lived despite the fact that I left you with 3 cars. I went through hard times in the Dominican Republic where I went for 13 months to cool off as you and Chimezie et al. offset against my other round

of medical credentials and licensures as well as other credentials in multiple fields of thought — the same thing that your family did.

Gabriel, your father and Ejiaza Nwachukwu jumped into a train that I captained to carry treasures from Lagos to Medugry, in Northern Nigeria. The train had sharp shooters as police. I stopped them from shooting down your father and Ejiaza and told them to drop them off at Lokoja train rail junction and they did exactly as I instructed them to do. They wanted to be shot down, Rosaline your mother was about to deliver you and ~~Obie~~ had job. They had arranged to cause comotion if killed. Upon returning from Medugry, Gabriel et al acquired all my belongings and threw me to the streets as you tried to do in Festac Town. I built and own Swamp properties that you sold as well as others that include but not limited to the ones on Oyotoro street, Yaba, Lagos, Niger Area or Nigeria.

Gabriel stole the initial money that I made in business in 1986 and it's well noted by the California Controller — Gray Davis office and Treasury. It was first \$200,000 then he stole more from the money made to build my house in the Village-Nwabosi. He probably used the money for ~~Obie~~ the 2 Okwele buildings that became Okwele Holdings like Niger Electric Ports Authority or NEPA Holdings that you gave to Umuchiche or your ~~Obie~~ called mother's family that killed and eat <sup>for</sup> a herbalist called Akano Olsha, the 2 houses (Matilda and Rosaline) and number 5 Apesu + number 26 Olamide in Ajegunle, Apapa, Lagos that were given to Uchenna whose biological father was Uche, Mmezi Couple Onyeonwes assigned son's classmate at an evening Secondary School in Lagos. Gabriel had no other biological children after your birth.

Just like you and your case, I was forced to educate and train Rose Ngozi Emegwa and I was told that it came from Vatican and that I will be repaid several times. The money came but your Referendum ~~Partial~~ ~~Majority~~ ~~Extra~~ and Others

Used the money to educate themselves. Rose Ngozi Emegwa must provide a marriage certificate showing that I signed to prove that I actually married her. Aside from being a crested like you all, She is short and not fine. The church wedding was scheduled at 10 AM and I cancelled it without showing up. There were no traditional wedding the night it was scheduled because I sent her brother home to tell the family that I was not a marrying type. I paid her brother younger brother the money that he spent on a camera and some films upon demand. I told him to keep those products. There was to be trouble so Reverend father Onwugiariri invited me to be present at the 3 AM Wedding scheduled for a member of Rose Emegwa's cousin. I told them that I would be there only on condition that the Rose Emegwa<sup>18</sup> family were forbidden to come—and so it happened. How can she get married in the Village where her family besides with no member of her family in any Pictures or Videos? The house that they lived was the same house for Rosaline Gabriel lived in early sixties. There were 3 different males that pregnanted Rose N. Emegwa and that are the biological fathers for the 3 children of Rose that I raised and educated. If I am fertile, the only ~~child~~ offspring of hers to be was the one that was aborted in the Bay Area of San Francisco in 1981. I have absolutely no children offsprings with Rose Ngozi Emegwa not to mention Ada and Judith when I wasnt having sexual relationship with Rose. Rose had a 10 year Intra Uterian Device (IUD) that she removes whenever she decides to get pregnant. The device itself cost me \$1,500<sup>00</sup>.

Take a loan from your bank if you have to. You must refund all my money at at least Present Current Value and take all documents <sup>like for</sup> business and Real Properties and hand them over to the Governor of Nigerian Central Bank. Keep copies of all receipts. When that is done, immediately return to your owners. They will help you clear all debts and <sup>(s/he & parents)</sup> penalties. For sufferings will remain for at least 300 years for the Children/Offsprings of Criminals like Gabriel and Rosaline and their descendants. Like I told your wife Eugenia, only your owners and can understand the extent of your crimes and only them can understand your exact share of all Judgements/Adjudgements and Penalties/Punitive measures. Remember what you said on <sup>the</sup> telephone in my apartment that you loved, ("Ewi aha unu na ~~ewu~~ <sup>own</sup> mu chi umu ya") meaning that you have the offsprings of the rabbit that they were digging. Scan my documents and credentials to [FESTUSOKWUDI40HAR@gmail.com](mailto:FESTUSOKWUDI40HAR@gmail.com) and give the original and other copies to the Governor of Nigerian Central Bank. Rose, a nurse and the owner of Rose line stole me from my Parents Palace but I was later recovered and bombarded with training for a short time by my Parents before we separated.

My family trained me in lots of fields. Gabriel, Ruben et al burglarized my home in Victoria Island drove me away (took the property) and stole all my possessions including licenses and diplomas during spring of 1961. They continued in Oyotoro (my new home after their so called Independence on October 1st, 1961. With sterlings adjusted, I could drive cars, conduct trains, ships and fly planes. All before my 6th birthday. I separated from my Parents & family right before my 9th birthday and I had been trained. My Medical Doctor Certification Number is MDCNR56322/66 <sup>ie 1966 this was my</sup> last one and Nigeria/West Africa has record all 56 global zones. I never received a cent after my parents died in 1960, I stopped working before Nigerian Civil War. Rem. Gabriel using mosquito fleet mixed with drugs and public latrine as product in my left leg 3 times. 2nd in my (left) knee and 3rd near my groins. They were <sup>so</sup> product concealed to Joe Onyemelukwe till 1981 & Colin Edoga. Gabriel concealed to Joe Onyemelukwe till 1981 & Colin Edoga.
